

February 1st, 2014

Termination of the Trade Inquiry System and the Company/Trade Associations Search

The Tokyo Metropolitan Small and Medium Enterprise Support Center will cease two services of Tokyo Trade Center, because of the renewal of the Tokyo Trade Center's website. The Trade Inquiry System and the Company/trade associations Search, which have been run on consignment from the Tokyo Metropolitan Government (hereafter TMG), will be closed as of March 31, 2014.

We will make further enhancement on our support for international business activities and provide information more extensively and deeply by the renewed website of the Tokyo Trade Center.

Your kind understanding will be highly appreciated.

1 Services to be terminated

Trade Inquiry System

http://www.tokyo-trade-center.or.jp/TTC/en/trade_inquiry/index.html

Company/trade associations Search

<http://www.tokyo-trade-center.or.jp/TTC/en/search/index.html>

2 Service termination schedule

1. Registration of companies will be accepted and the company matching service will be provided through Monday, February 17.
2. Company/trade associations Search will be available by March 31.
3. Trade inquiries will be posted on the website through Monday, June 30.

3 Handling of information you provided through the services

The TMG will delete information you provided concerning your company and your inquiry, according to the TMG Ordinance on Protection of Personal Information.

For the full text of the ordinance, please see the page below (Japanese only) on the TMG website.
